

PIEDMONTESE—THE ELITE BEEF OF ITALY

OUR RANCHING STANDARDS

With all of the naturally-occurring benefits of Piedmontese cattle, Montana Ranch Brand is strongly committed to the expansion of this amazing breed. Our program is designed to merge Piedmontese cattle with the finest ranching practices to raise a generous supply of this delicious, gourmet beef. To maintain the integrity of the breed, we contract only with ranchers who adhere to our strictly-defined ranching standards:

Our animals never receive antibiotics of any kind from birth to harvest

Our animals never receive steroids or supplemental growth hormones

Our animals must be raised on vegetarian feed only (no animal by-products)

Our animals must be humanely raised and handled safely at all times

Our producers must meet quality standards for feed and water
